PUBLIC WORKS DEPARTMENT

G.O.Ms.No.3302. dated 1--8--1952.

READ:

From the Chief Engineer (P.W.D. (General), No.6101 M2/52-1 dated 11th July 1952.

ORDER:

The Chief Engineer (General) has reported that it has become necessary to discharge from service some of the Junior Engineers and Supervisors now employed in the Department, who are surplus to immediate requirements. The chief Engineer has proposed that the discharge of these persons may be in the following order:

I. Junior Engineers and Supervisors employed under the emergency provisions.

(a) Junior Engineers and Supervisors who are employed under the emergency provisions and whose record is unsatisfactory.

(b) Supervisors who are employed under the emergency provisions and who have not completed 12 months' practical training for the award of the diploma (e.g.) L.C.E. diploma, B.E. diploma) of the College of Engineering, Guindy awarded under the new regulations of the Madras University)

(c) Other Junior Engineers and Supervisors in the order of juniority with reference to the dates of their first taking up service.

II. Regular Junior Engineers & Supervisors.

(a) Probationers in the order of junixority.

(b) Approved probationers in the order of juniority.

(c) Permanent members in the order of juniority.

2. The Government approve the proposal of the Chief Engineer (General) subject to the following conditions:

(i) Discharge of emergency personnel on the ground of unsatisfactory work must be only after orders have been passed on the "show cause" notice proposed to beissued to them.

p.t.o.

(ii) All other cases of discharge should be strictly in the order of juniority, subject to unqualified persons being discharged first.

3. The Chief Engineer (General) is requested to take steps to provide alternative employment to the discharged persons (except those who are discharged on grounds of unsatisfactory work) to the extent possible by affording them to lower posts of Overseers, Draftsmen etc., which are now held by unqualified persons (including Irrigation Conservancy Subordinates) and retired personnel, provided they are willing to accept lower posts and to submit to the Government in due course a report on the action taken in this regard.
